James Wilson the secretary of agriculture, is the dean of the present cabinet: He is the only one who began service with the beginning of the McKinley administration, six years ago last march, Of President McKinley's other appointees still in the cabinet Mr. Hay succeeded Mr. Day, and Mr. Day succeeded Mr. Sherman; Mr. Hitchcock succeeded Mr. Bliss and Mr. Knox succeeded Mr. Griggs. If Mr. Roosevelt completer his term with four cabinet officers of his nine, who were selected by Mr. McKinley, he will have done better in that respect than any other man coming to the White House by reason of the death of a predecessor. In fact, there have been only four cabinet officers in the history of the country who have served through to the end of the term of a successor coming to power in this way. COLORADO'S ANSWER MADE. Attorney General Handles the Matter

More Seriously Now. The reply of Colorado to the petition of Kansas in the Arkansas river irrigation suit has been received in this city. The answer is very lengthy and shows the effect of a very careful study of the irrigation problem. It is apparent from the text of the answer that the ColoKeep Wine of Cardui in Your Home

I am pleased to state that Wine of Cardui helped me through a severe siege of sickness and finally restored me to perfect health. I caught a severe cold which settled all over me and at the monthly period the flow was very scanty and painful and I had the most blinding headaches and nausea and finally I had to take to my bed. One of my friends, on calling on me, told me how much Wine of Cardui-had done for her, so I tried it and the results were all that I could desire, for I was able to be out in four weeks and feel in excellent health and am daily growing stronger and more robust.

I can therefore recommend it as a medicine of unusual merit and beneficial to women.

Wine of Cardui has been growing in popularity for over seventy-five years. There have been remedies for women sold but the greater number of them have been forgotten while Wine of Cardui has found its way into American homes and so complete and lasting are its cures that women never tire of telling one another about it. It was one of these grateful cured women that brought Wine of Cardui to the attention of Miss Davis and was the result of giving her

health and happiness instead of misery and despondency. And Miss Davis regards it as her duty to tell you the same good news that her friend told her. It rests with you whether you will take advantage of the same relief Miss Davis took advantage of when she relied on Wine of Cardui to cure her. You have not only the word of Miss Davis and her friend, but the testimony of thousands of other women who have certified to the value of Wine of Cardui as a cure for female diseases. This pure vegetable tonic regulates menstruation and banishes all the blinding headaches and pains which torture women at the menstrual periods. It is a medicine to keep on hand for emergencies and also a tonic to be kept in the home and

taken before the expected menstrual period as a preventive of the suffering of which Miss Davis speaks. Give Wine of Cardui a trial and you will be as well pleased as Miss Davis is. All druggists sell \$1.00 bottles Wine of Cardui.
